NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, acres Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now digging a ditch from Sandy Creek, to supply us and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

SPECIAL ELECTION 10TH NOVEMBER, NEXT.

INFAMOUS AND WICKED.

We lay before our readers to day, three several letters, picked up in the Court House at Graham when Kirk evacuated.—They are all signed in the hand-writing of W. W. Holden.

These letters crown the career of his wickedness and complete the lasting monument of his infamy.

The Judiciary, whom he controlled in their decisions, violated all decency, all right, all justice, all law and all precedent set by themselves.

Under Holden's administration the industrious poor have been robbed; the people have been treated as enemies; citizens of North Carolina have been arrested without warrant or authority of law; tortured, ironed, imprisoned, hung up by the neck, while more than a hundred of the most atrocious criminals, convicts of the Penitentiary, have been turned out upon society, by the Executive pardon, instead of receiving the punishment due to their guilt.

We ask the Governor what he has to advance against these charges? What he has to say in apology or vindication of these diabolical letters? Did he not, at no greater distance from the Capitol than it is to Alamance, put to infamous punishment, Wheedon, Wiley, Murray, Rogers and Turner? Did he not, without a trial, hang some, manacle some, and cast others into dungeons? We ask, what was their crime—what law had they violated? These men, Governor, whom you outraged, have resisted you only with the tardy process of the law. In them the liberty of the whole people was set at defiance by a usurper, a merciless monster, who thirsted for the blood of his people in order that Congress might reconstruct them.

Shall this man escape? Shall he not receive the punishment due to his crimes? Who so like him as to defend him? None but some Pilgrim Ashley, Kirk, Burgin or Merlin! As Cicero said of Varrus, "if he receives not the sentence his crimes deserve, it shall not be through the task of a criminal or a prosecutor, but through the failure of the ministers of justice to do their duty."

The ministers of justice have strangled justice. They say, this merciless monster, because he is Governor, "*so called*," is not amenable to the law. But the people have spoken; they say it cannot be—it shall not be that he shall escape—and it remains for the Legislature to say if their sovereign voice shall be obeyed.

Let the reader now carefully peruse the letters.

HOLDEN TO KIRK, NO. 1.

EXECUTIVE DEPARTMENT,
STATE OF NORTH CAROLINA,
Raleigh, July 17, 1870.

To Col. G. W. Kirk,
Commanding Post at Yanceyville.

DEAR SIR:—This will be handed you by Col. Albright and Col. Ray, in whom I have full confidence.

I learn that Mr. Boyd proposes to make a full confession and then retire from public life and all connection with the Ku Klux. I leave the matter in your hands, after a full conference with Cols. Albright and Ray, and after Boyd shall have done all that may be required of him. If his action is entirely satisfactory he may be released on his parole, and if he plays us false he can be again arrested.

There are many more arrests to be made but the best list will be furnished to the Judge Advocate. The Court must assemble on Monday the 25th July. Some of the Caswell criminals are escaping. I want you to exercise a sound discretion as to such arrests in Caswell not on the list you have, as may be necessary.

The company in Dallas, Gaston, will be under your command—W. S. McKee, Captain. They will be mustered in to-morrow. It would be well to let them remain in Gaston, as their votes will be needed, and they can have control over Gaston, Lincoln and Catawba. Twenty or thirty of your men should be sent to Shelby, Cleaveland Co, to keep an eye on Plato Durham's friends and prevent intimidation of voters.

Our friends in the mountain counties are very much concerned about the loss of votes by the absence of your men. Send as many as you can spare to Asheville, Marshall and Burnsville, so that they can vote and return. Some men will be actually needed in Asheville and Burnsville to ensure a free election.

I would be glad to have a full report of —[Here the succeeding page is missing.]

HOLDEN TO KIRK, NO 2.

EXECUTIVE DEPARTMENT,
STATE OF NORTH CAROLINA,
RALEIGH, July 28, 1870.

Col. George W. Kirk:

DEAR SIR: I have just learned from citizens of Buncombe, that it is important to have a detachment of troops in Asheville on the day of the election. It is also important to have a detachment in Shelby, Cleaveland county. Can you spare twenty or thirty men for each of these places? If you can I would urge that you send them at once.

Col. Clarke has sent detatchments to Hillsborough, Chapel Hill, and Carthage, Moore county. The object of all these detachments is to preserve order and to secure a fair and free election.

You will have made out and forward to me as early as possible, a list of all the persons under arrest, with a statement of the reasons for arrest in each case.

I have thought it best, mainly on account of the pending election, to postpone the Court Martial until the 8th of August. It will certainly be held at that time. I will notify you in time as to the necessary arrangements.

I see and hear of nothing in your action that is not deserving of commendation. The edifice of crime is tottering and will soon fall. I expect to-morrow to receive important confessions from Mr. Boyd, Mr. Mason and other leading Alamance Ku Klux.

Very Respectfully,
W. W. HOLDEN, Governor,
and Commander-in-Chief.

HOLDEN TO KIRK, NO. 3.

Col. G. W. Kirk:

DEAR SIR: This will be handed you by Mr. J. B. Neathery, who has my full confidence.

An officer directly from Chief Justice Pearson will accompany him to serve a writ of *habeas corpus* on you. You are instructed to receive the officer with courtesy, and endorse upon each writ as follows:

YANCEYVILLE, July 1870.

Service accepted. John Kerr, named within, was arrested and is now detained in my custody by order of my Commander-in-chief, W. W. Holden, Governor of North Carolina. Therefore I cannot obey the writ.

With deference,
G. W. KIRK,
Col. 2d Reg't. N. C. Troops.

The lawyers are exhausting every expedient, but they will fail. This is their last movement. It is important that the Chief Justice, who is substantially sustaining me, should be very courteously treated in the person of his messenger.

You can confide fully in Mr. Neathery, and I wish you to send me a list of prisoners and witnesses, together with the proofs in each case. I want to know the evidence in advance of the Court.

With my best wishes for yourself and the officers and men under your command,

I am respectfully,
W. W. HOLDEN, Governor,
and Commander-in-Chief.

The following seems to be a sort of memorandum or bill of instructions to Kirk as to the parties to be arrested in Caswell. We give it *verbatim*, with the marginal notes in parenthesis at the ends of the paragraphs. We do not recognize the hand-writing.

CASWELL COUNTY.

Men accused of being implicated in the murder of J. W. Stephens and of favoring Ku Kluxing:

Ex-Sheriff Wiley. (He called Stephens to come down)

Capt. Bridges Mitchell. (Near Leasburg.)

Phillip Hodnett. (This name has lines drawn across it in the manuscript.)

John Kerr, Samuel P. Hill, Dr. N. M. Roan.

7 white Jurymen on coroner's inquest over Stephens' body. (Innocent)

Clerk to County Commissioners.

Doc. Graves. One Dr. Hooper.

Sheriff of County. (Get him at once, on Pea ridge)

Jonathan Terrell, Joseph Terrell, Jesse Terrell, Albert Fuller, William Cooper, Dudley Murphy, James Scoggins.

Lee, near Milton. (See Wilson Carey, member H.)"

These marginal notes that we have put in parenthesis, are written in pencil and in a different hand from the other matter of the paper.

No doubt that other and similar lists were issued from time to time; we shall have some more of these things to give our readers hereafter.

NORTHERN ELECTIONS.

We have contented ourselves with the election items furnished by the telegraph, content to wait such developments as the mail would bring us. The *Standard* brought out its roosters and twitted us about the Northern elections, relying upon the Radical dispatches coming through the Associated Press agency.

The result now proves that the *Standard* was sold and that its roosters have been picked, beaten and driven from the field. From the most reliable sources within our reach, it turns out, that the Radicals have been worsted, badly, much beyond our expectation in Pennsylvania, Ohio and Indiana. We knew that the negro vote in those States, would go *en masse* for the Radicals, and doubted that the Democratic gains would be sufficient to overcome the accession of the negroes to the Radical vote. But our gains have in some cases completely neutralized the negro vote.

The Democrats have carried Pennsylvania by 4,000 on the popular vote for Congress, electing probably 14 Democrats to 10 Radicals to the 42d Congress, against 17 Radicals to 7 Democrats in the present Congress. Besides this they have reduced the majority of the Radicals to one in the State Senate and twelve in the House of the General Assembly. The negro vote in the State was about 8,000.

In Ohio, the negro vote was still larger, yet the Democrats have reduced the popular majority of the Radicals and elected at least 7 Democrats to 12 Radicals, against 5 Democrats and 14 Radicals in the present Congress.

In Indiana we have carried the popular vote of the State by between 2,000 and 3,000 majority, elected a majority of 8 on joint ballot in the General Assembly and elected 6 Democrats to 5 Radicals to Congress, against 4 Democrats and 7 Radicals, in the present Congress. The result is almost a complete victory, at least enough to bring out our chickens, but we forbear out of sheer pity to the *Standard*. It may rejoice over our defeat, but another such defeat in the States yet to vote, will give the Democrats a strong working majority in the House of Representatives in the next Congress.

BAZAINE CUTS OUT OF METZ.—The New York *World* of 16th has a special Tours dispatch, dated on the 15th saying that Bazaine has escaped from Metz and was marching with his entire force to the relief of Verdun.

The London *Standard* has a Tours telegram announcing that Bazaine had gained a great victory and that he was now free to march upon Thionville. This report, however, is considered doubtful.

EVACUATION OF ORLEANS.—The N. Y. *Herald* of the 16th has a special, containing the rumor of the evacuation of Orleans by the Prussians and a later dispatch confirmatory of the rumor.

It is also officially announced that Trochu personally led a sortie from Paris against the enemy which was brilliantly successful at all points.

A CARD.

TO THE PEOPLE OF CASWELL COUNTY.

PUBLISHED BY REQUEST.

The following correspondence between Governor Holden and myself, as you will perceive from the dates, was had *last Spring!*

As I understood at the time, Gov. Holden addressed similar letters to other gentlemen in the county. What response *they* made, if any, I have never heard.

I thought at the time, I think *now*, that the Governor's letter to me indicated a commendable anxiety to suppress violence and disorder in the *only proper* manner, by bringing public opinion to bear against them.

I leave it to you to characterize my reply. Before sending it, I read it to trusted friends and neighbors. They endorsed it. I stand by it, and I think reflecting, moderate men among you will approve it.

This correspondence has been misrepresented to you. I am unable to conceive the purpose of these misrepresentations.—Unless it be that I have rendered myself obnoxious to some by urging and advocating a compromise with the Radicals on the *county ticket* in the last election.

With a large controlling majority in the county, voting as a unit, they proposed to take one member of the Legislature and give the other *two;* to take one of the members of the Board of County Commissioners and give us the other *four* and the remaing county officers.

I thought the proposition a *liberal* one, and was in favor of accepting it; but other and perhaps wiser counsels prevailed. I submitted.

My offence hath this extent and no more. I propose, under similar circumstances, in the future, to advocate a similar policy. I am at least *disinterested*, for I am disqualified from holding any office by the 14th amendment, if the compromise should be effected.

I submit the correspondence to you.

Respectfully, &c.,
T. A. DONOHO.

MILTON, Caswell Co., N. C., Sept. 20, 1870.

EXECUTIVE DEPARTMENT,
STATE OF NORTH CAROLINA,
Raleigh, April 22, 1870.

Thos. A. Donoho, Esq:

DEAR SIR: I have reports from Caswell of acts of violence committed on both white and colored persons. Not only are personal rights and property to some extent endangered, but the good name of the county may be seriously injured.

I appeal to you and other gentlemen of character and standing, to interpose and arrest these violations of law.

I would be glad if you would visit and consult with Dr. Roan and others on the subject. It is important to check these acts of violence at once, and before the excitement of the campaign begins.

I would be glad to hear from you on the subject.

Very truly yours,
W. W. HODDEN, Governor.

MILTON, N. C., May 16th, 1870

Governor Holden:

DEAR SIR: I received some time since yours of the 22nd ult., which you did me the honor to address me in reference to "acts of violence committed on both white and colored persons, &c.," in this county.

I have delayed an answer until I could communicate personally with gentlemen from other portions of the county remote from me. I live perhaps as you are aware, in the extreme Northern part—having been closely confined at home during the past twelve months, and do not feel competent to speak *confidently* of the state of affairs in other portions of the county.

As for my own section—the Northern part, I can unhesitatingly affirm of my own knowledge, that the utmost good order, respect for law and safety for person and property prevail.

There have been two—and but two, outrages on persons, and in these two cases no political questions, nor questions of race and color were involved. In one, the act of violence was committed on a white person and originated in a family scandal. In the other, the victim was a colored man, and the offence theft—the *corpus delicti* being found in his house. The negro was of bad character, raided immediately on the Virginia line, and evaded process of law by taking himself across the State line.

These two acts of violence were promptly denounced by our people. I did not hear a voice raised in excuse or palliation. So pronounced and outspoken was public opinion in condemnation of *these* outrages that no repetition of them need be apprehended.

With these two exceptions, I think I can truthfully say, that in the past twelve months, as few offences against the criminal law, or against the peace and security of society, of which a grand jury could take cognizance, have occurred here, as in any other portion of the country, *North or South.*

It is but simple justice to them to say, that I have never seen a people who have set themselves to work to repair their shattered fortunes, and build up their waste places, with more spirit and resolution than have these. I have never known a time when politics State or national, engrossed so little of their attention. And I can venture to affirm that in no other portion of the State does a better feeling exist between the races, than in this portion of Caswell county.

I attribute this condition of affairs *mainly* to our contiguity to the State of Virginia, where wiser and better counsels have prevailed, than in North Carolina, and partly to the fact, that our staple crop, tobacco, is commanding high prices. Our people find it more profitable to devote themselves to their private, than to their public affairs.

As I have already intimated, I do not feel myself qualified to speak as understandingly of other portions of the county. I have heard that in the part bordering on Alamance, and in the parts having business and social relations with Yanceyville, the same perfect quiet and order does not prevail. I suppose the infection which is said to prevail in the aforementioned county, has spread across the line, and, as you know, rather extreme political opinions prevail about Yanceyville.

In an adjoining Township, I have heard of several outrages and acts of violence perpetrated on blacks and whites by persons in disguise, and these in return have been ruthlessly revenged by acts of incendiarism committed on *innocent parties.* I have recently seen several gentlemen of character and influence from that Township and they apprehend further trouble if more moderate counsels do not prevail on both sides. These gentlemen, as well as others, are using their influence to stay and quiet all excitement, and I hope and trust with good results.

I think there is a general feeling among all reflecting men and those who have anything to lose, that this system of violence and lawlessness, on both sides, must be checked. Otherwise not only "will the good name of the County be injured" as you suggest, but the interest of all good citizens and the welfare of society be jeopardized.

I do not feel in closing this letter, that I should be discharging my full duty to the people of this County and to yourself, Governor, without bestowing an observation or two which if received in the same frank spirit as they are offered, may have a tendency to restore a better state of feeling in the county.

It is an unfortunate circumstance for the peace of the country, as well as for the interest of your party, that the recognized exponent of the Republican party in the county should be a person of the antecedents and surroundings of the member who represents the county in the State Senate.

I do not think there would have been any violent antagonism between a respectable portion of the white citizens of the county and a *liberal* Republicanism, but for this misrepresentation of Republicanism. But the good people of Caswell county cannot be expected to officiate with a party whose recognized standard bearer sustains such a character at home, as does the individual alluded to.

I think I do you but justice when I say that you cannot suspect me of any *selfish* views in the observations just made. I would take the liberty of suggesting to you, Governor, that you should pursue towards this county, a course similar to the one you adopted with good results in Orange. That you appoint some liberal intelligent, moderate gentleman of character in this county, as Commissioner, with whom you could advise, and whose interests would not be promoted by a misrepresentation of the true state of affairs here.—There are a number of such, whose names I could mention to you, who are entitled to your confidence, and whose simple appointment (as did Col. Jones in Orange) would indicate to our people a liberal and conciliatory policy on the part of the Executive of the State. There are a number of such in and around Yanceyville. I would suggest for one, the name of Wm. B. Bowe, Esq., who for a time held position in the Freedman's Bureau in the county, with great acceptance to our people. But it is time I was bringing this hurried letter, already longer than I intended, to a close. I have written you frankly, honestly, with no personal ends to subserve, apart from the welfare of friends and neighbors. If this spirit and these views meet your approbation, I shall be gratified.

I am with respect,
Your obedient servant,
T. A. DONOHO.

THE SENTINEL.

CITY AND STATE ITEMS.

TUESDAY, OCTOBER 18, 1870.

Col. LEO. H. RANDAL, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

BLAIR'S NEW EXCHANGE HOTEL was opened on yesterday. He is now ready to accommodate the traveling public in first class style; his omnibus will always be in readiness at the depot to convey passengers to the Exchange free of charge.

OYSTERS.—Robert Ruth will have fresh oysters, this morning, at Nick Denton's, on Wilmington street. Orders left with him will be promptly filled.

MAYOR'S COURT, *Monday, Oct.* 17.—Eli Miller, was arrested by policemen Henry Miller and Alfred Mitchell for being drunk, shoving his wife out of doors. He was released upon a promise to make his appearance when called for.

The house of Mary Jane Pope was reported as being disorderly.

John Ryan, Alonzo Fowler and A. J. Smith, arrested for being drunk and disorderly on the streets; released upon a promise to appear whenever called on.

Martin Westbrook, arrested for being drunk; released.

FIRE.—Sunday afternoon, about 4 o'clock, the alarm of fire was raised and following the rush of the crowd, we soon ascertained that a small blacksmith shop just in rear of Mr. Alfred Upchurch's Coach Shop, had caught fire, but the flames were extinguished before any damage was done.

The "Rescue" was promptly out with steam up and had the occasion required, would have done good service.

FUNERAL OF GEN LEE.—At Lexington General Lee's funeral was attended by all the State dignitaries and many distinguished persons from different parts of the country. Soldiers and officers of the late C. S. A., attended as a Guard of Honor. In the Episcopal funeral service the sermon was omitted in accordance with General Lee's request.

GRAND TROTTING MATCH.—We understand that Messrs. G. W. Wynne & Co., of the Raleigh Livery and Exchange stables, offer a "citizens premium" of $500, for the best trotter in a match to come off some time during Fair Week. The particulars will be made known in due time, but there is no doubt the trot will come off, and for the premium stated.

Some of the best trotters in the United States will be here, a few of which we mentioned yesterday. In addition, we learn that Gray Eagle and Express, belonging to D. T. Harden, Esq., of Danville, are on the way to arrive this morning.

ADDRESS AT HENDERSON FAIR.—On Wednesday last, Prof. W. C. Kerr, State Geologist, delivered an Address at the Henderson Fair, which was spoken of as eminently practical and instructive. We did not get to the Fair until Thursday, and therefore, did not hear Prof. Kerr's address, hence our failure to notice it in our account of Thursday's and Friday's proceedings.

Prof. Kerr will deliver the Annual Address at the approaching Fair at Weldon.

WANTS OFFICE.—The Radical Convention on yesterday, or rather a few of the Radicals of the city and County met and nominated Samuel F. Phillips, Esq., the late defeated candidate for Attorney General, for a seat in the House of Representatives, to fill the vacancy occasioned by the death of H. A. Hodge, Esq. Mr P. accepted.

TUCKER HALL.—Edwin Forest, the greatest, perhaps, of living actors, appeared at Tucker Hall, last night, in the classic tragedy of Virginius, aided and well supported by an excellent dramatic *corps*. Of the acting of this celebrated histrionic artist, it would be superfluous for us to speak; he has a world wide reputation which may justly laugh at criticism, and to every one at all posted in dramatic matters his position is well known.

Of the other members of the company, we have not time to say much at this late hour, it is sufficient to say that they sustain their parts and support the leading character well. No one who can go ought to neglect the opportunity afforded this week of witnessing a specimen of the (really) "legitimate drama."

And here we would say that no one need feel any scruple in going to see Forrest, on account of their objection to theatrical exhibitions where *legs* instead of *brains* are the attractions, and grimace and nonsense, instead art, form the acting.

THE COTTON STATES FAIR ASSOCIATION OF AUGUSTA GA., AND AGRICULTURAL CONGRESS.—The exhibition of the Cotton States Fair Association, which is advertised in another column, promises, from what we can learn, to be a grand affair. The Agricultural Congress of the Southern States, convenes in Augusta at the same time.—We understand that every prominent Agricultural Society in the South, from Maryland to Texas, will be represented, and the Congress promises much good to our Agricultural interests. The North Carolina State Society has appointed delegates, as well as other Societies of our State. The people of Augusta have subscribed $15,000 towards the entertainment of the delegates at a grand Ball to be given to their honor. Railroads carry visitors upon the occasion at half rates.

Mr. C. H. Green represents the Georgia Agricultural Society at our State Fair. He may be found at the Drug Store of Pescud, Lee & Co.

"SPALDING'S GLUE," will just suit you.

GLISTENING TEETH.—Not only does SOZODONT impart the *whiteness* of the purest porcelain to the teeth, but its *polish*, too. They glisten after being brushed with it, like the inner surface of an ocean shell, and the effect of this peerless dentrifice is to render the enamel as hard, and indestructible as adamant.

DIED,

At Melville, Alamance county on the 11th of Oct. MR. HENDERSON SCOTT, aged 56 years. By this sudden and sad bereavement, a whole community has been thrown into mourning. A wife has lost a devoted husband his children a kind and affectionate father, the community one of its most energetic and enterprising citizens, and the Haw Fields Church, of which he was a ruling elder, one of its most liberal and active members. A man of clear judgment, warm in his attachment to his friends, charitable to the poor, always ready to oblige a friend, and above all a christian gentleman. The loss of such a man is a public calamity, but God in his infinite wisdom has seen fit to remove him. May he give the family and friends grace to bow with resignation to his will, knowing that their loss is his eternal gain. A. G. H.

At the residence of her mother, in Bertie county, N. C. on the morning of the 5th inst., Miss MARTHA J. COTTEN. Seldom can we record the death of one who lived a life so blameless, bore a lingering illness so patiently, and died so peaceful, tranquil, and happy.

Rt. Rev. James Gibbons, Catholic Bishop of North Carolina, has purchased the fine property on Fourth and Fifth streets, Wilmington, known as the Peden property, for the use and benefit of the Sisters of Mercy. The grounds comprise one half of the entire Square and has therein a fine large residence. The price agreed on is $16,000.

Systems Run Down.

Persons often allow their systems to "run down," or rather run them down by over-work, accompanied by a neglect of the proper means of invigoration. The result is what is called "GENERAL DEBILITY;" in other words, a failure and partial collapse of the physical forces, accompanied, usually, by great depression of spirits.

The best remedy in such cases is Hostetter's Stomach Bitters. Whether the state of exhaustion has been brought on by excessive physical labor, dissipation, anxiety of mind, exposure, or any other cause, the remedial effect of this great stomachic will be found equally prompt and certain. As a restorative, after severe sickness has prostrated the bodily and mental energies, it is pronounced, by competent medical authority, "THE BEST TONIC IN USE." If men were not foolishly careless about their health, and over confident in themselves, they would always, when engaged in any work that required great exertion, seek corresponding means of sustaining their strength. For this purpose Hostetter's Bitters are invaluable. All toilers should use them as an invigorant.

For those constantly employed in in-door occupations, especially in crowded workshops, they may be reckoned as the very best safeguard of health. Where there is a predisposition to constipation, or a tendency to biliousness, they may be truly said to be a specific for which there is no substitute.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000 000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000 000.
6. Such payments are made in cash, and not partly in cancelled notes, as in the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December 1, 1869, was $51,021,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

P. F. PESCUD, JR.,

RALEIGH, N. C.
SUCCEEDS HIS FATHER IN THE AGENCY OF THE
NATIONAL LIFE INSURANCE CO., U. S. A.
For the Central and Northern Counties in
NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwar s of
10,000 POLICIES,
and nearly doubled its immense Capital of $1,000 000
in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.
I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED
"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.
One man can do the work, only requiring longer time.
It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.
It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.
I believe it unequalled by any Press for power, convenience and durability.
Press complete—Depth Cotton Box 8 feet: Size Bale 4½ feet 42x22 inches; wt. Bale 400 to 550 lbs

LIFE INSURANCE AS AN INVESTMENT.

THE
Widows & Orphans
BENEFIT LIFE INSURANCE COMPANY
OF NEW YORK.
Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a maximum "Definite Cash Surrender Value." *Death losses have not occurred, out of several hundred policies* in this State, which fact must establish the better safety of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Reversionary Dividends*" are not declared but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

Ordinary Life Policy (Tontine Dividend Plan.) Age 38, amount $10 000. 10 years in force. Annual Premium $291 50. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.
The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and *every year, and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*
Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
